on Behaviors 3.8 4.0.1.1... [color=red]Why I
make this files is because of the fact that
behavior files size is a good size in the mod
section of Skyrim files if it's. Mar 17, 2017
FNIS adds nice behaviors, but the author does
not write behavior files that are compatible
with other mods. Note that the FNIS 1.7 8.5
behavior files (.thb files) are compatible with
other mods that add behaviors. Other mod
authors can import behaviors. . Feb 24, 2016
