The more you click on, the more you will get to know about it.. Search the web for "causes of flat tires" and you'll get a long list. 558 So.2d 100 (1990) Gary CHESSER v. STATE FARM FIRE AND CASUALTY INSURANCE COMPANY, No. CA 90 2352. Court of Appeal of Louisiana, First Circuit. December 27, 1990. *101 Gary R. Allen, Baton Rouge, for plaintiff-appellee. Iris A. Forsyth, Baton Rouge, for defendant-appellant. Before GROVER L. COVINGTON, C.J., and LANIER and KUHN, JJ. GROVER L. COVINGTON, Chief Judge. This is an action by a fire insurance policyholder against the insurer seeking a judicial determination that a policy endorsement contains a binding "contingent renewal" condition. The trial court rendered a judgment sustaining an exception of res judicata; however, the parties stipulated for purposes of appellate review that the trial court erred in sustaining the exception and rendered a judgment granting the demands of plaintiff, defendant taking a suspensive appeal. Gary Chesser was the named insured under a policy of fire insurance issued by State Farm Fire and Casualty Insurance Company ("State Farm") to cover a dwelling located at 914 Beeson, Opelousas, Louisiana. The policy, a standard State Farm homeowner's policy issued to Chesser, was an "in-force" policy at all pertinent times. Chesser paid the premiums required by the policy and did not cancel the policy. The policy also contained a "contingent" or "cancellable" endorsement, "Optional Additional Coverages[Personal Liability/Optional Additional Coverages[Business Liability," that provided coverage for: Personal Injury Liability Any sums which the insured, or his or her successors or representatives, become legally obligated to pay as damages because of bodily injury or property
