We save them, quote them out loud and share them with our besties, our husbands, our boyfriends. We know the one that is going to be there for us when we need it most. For today I bring you some of the greatest words of wisdom ever spoken. And if you need a tiny, little pick-me-up, here are some great ones to save in your phone. Share the love 1. "We are all put here to be kinds of beings, not just on this planet but in this universe, trying to make sense of it, trying to live together in peace" What a great way to start off our list! The universe may be vast but it's pretty cool in here! 2. "As long as you can dream it, you can achieve it." I can't choose my favourite quote from this one, but, if I had to I'd choose, "If you don't know where you're going, any road will get you there." 3. "Life's greatest lessons can be learned on the way while working on the physical plane." You don't have to stop learning when you're no longer on this plane, you can keep learning and find yourself in more exciting places! 4. "
