Adventure Mongonaut: Spinward Marches 01. No one has rated this yet. \$14.99. File Size, 19.94 MB PDF. Preview, Download (19.94 MB). But you can buy the pdf here: Mongoose's largest licenced roleplaying game, Traveller, brings back the classic science fiction roleplaying game. Mongoose. I am not sure but the PDF version or the print version is the same. Traveller Traveller (or Traveller: The New Era) is a science fantasy universe role-playing game, originally published by TSR in 1977. History Traveller was devised by Charles S. Bingham as the basis of a science fantasy system. In 1976, after its initial printing, TSR published a new hardcover edition of the game, called The New Era. Mongoose Publishing have been the current owners of the Traveller licence since 1989. The new edition, titled Traveller: The New Era, was originally planned to replace the 1977 edition, but it met with little approval, and after a few years the

1977 edition was republished as the 3rd and final edition (1997). A "pocketbook edition" edited by Mongoose Publishing, titled *Traveller: In Nomine*, was released in 1999, which incorporated some recent Traveller products along with products from earlier Traveller editions, as well as other original game products, but maintained the spirit and structure of the 1977 edition. This was followed by the re-release of the 1977 edition in 2003, again titled *Traveller: The New Era*. In 2004, the U.S. division of Mongoose Publishing was purchased by Steve Jackson Games, and the Traveller licence was transferred to Steve Jackson Games. In 2008, Mongoose Publishing and Steve Jackson Games (SJGames) released the 4th edition of Traveller, (2008). RPG material The material included in the 1977 Traveller hardcover novelisation, 4th edition rulebook, and Mongoose Publishing paperback pocketbook edition are the same as those included in the 1997 and 2003 Traveller editions. The 1988 "The Spinward Marches" and 1991 "The Mission Spectrum" game books are different from those of the 1977 edition. A larger part of their content relates to the New Jedi Order campaign setting. There is a version of the 1988 "The Spinward Marches" book available on the RPGNow website. Character classes
